Reasons for Allowance

Claims 1-13 are allowed.

This is examiner's statement of reasons for allowance.

The instant invention recites locking device applicable to an apparatus having a movable carrier incorporated therein, comprising:

a control member, movably mounted on said apparatus, for selectively hindering an operational interface of the apparatus upon being moved to a first position, and exposing said operational interface upon being moved to a second position; and

a latch, fixed to said control member and moved therewith for selectively locking said movable carrier to said apparatus upon being moved with said control member to said first position, and releasing said movable carrier from said apparatus upon being moved with said control member to said second position.

The features identified, in combination with other claim limitations, are neither suggested nor discussed by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
